ATTACK OF 200 FOOT TALL GARET OF DOOM!

Well one day, the gang of Goldey Sunny people were lazing around at Isaac's house and then

they got bored and baked cookies.

" YAY COOKIES!" They all cheered. Well they were eating the cookies when Saturos and Menardi

snuck in and sprinkled some grow stuff in Garet's cookie. Garet quickly ate the cookie and then

said he didn't feel well.

" Oh well, go to bed!" Jenna yelled at him.

" Okay! YAY! BED!" Garet ran into the bedroom smacking his head off the cieling over hang by

the door, " Ouch." He said rubbing his head and then closing the door.

" That was random..." said Ivan.

" No that was weird, Gareth's tall but he can't hit the ceiling with his head..." Isaac said

suspiciously.

Just then Gareth came flying out the door, " Guys, I think somethings wrong!!!" He was about

ten feet tall and this time took out the ceiling he had earlier hit, " Ouch."

" Um, yeah I would say just a *wee* bit wrong..." Mia suggested sarcastically.

" What do I do? I'm really tall now!" Gareth whined.

" Fix the roof? You could reach..." Isaac said.

" Guuuuuuuyssss!!"

" Let's go see Kraden! He'll know what to do!" Felix said coming out of nowhere.

" Ok!" they all agreed, and they were off, but not before Gareth took out the doorframe.

Well, by the time they got to Kraden's Gareth was waaaay to big to fit inside cause he's a

sorry ass loser, so they all went inside without him.

In the mean time Gareth was bored. He looked to his left and saw a REALLY pretty flower.

" I'm going to pick it for Jenna!" Gareth said ecstatically, pulling the tree out of the ground.

" Gareth! We know what to do now!" Ivan said, as he flew out the door and smacked into a tree

root, " What's this mess?"

" Here Jenna! I picked this for you!" Gareth said with the widest grin possible. He then

handed the tree to her, which of course smushed her.

" GARET YOU IDIOT!" Isaac yelled.

" Shaddup!" Gareth flicked Isaac flying.

" GARET YOU HAVE TO BE MORE CAREFUL!" Mia screeched at him.

" I AM being careful!" Gareth said, standing up, revealing that he had sat on an old man.

" Watch where yer sittin' sunny!" The old man said and walked away with his cane.

The group just blinked in confusion.

" Heh Heh. Oops..." Gareth said sheepishly.

" Somebody get me outta here!" Jenna wailed. The only part of her that was sticking out was

her head.

" I'll help!" Gareth said, pulling her out by her neck, promptly snapping it.

" OOOOOOOWWWWWW!" Jenna cried, and started to bawl.

" Don't cry Jenna!" Gareth hugged Jenna, crushing her spinal cord.

" GARET!" Isaac yelled at him, " Put her down before you kill her!"

" Ok." Gareth dropped Jenna. This time she broke every bone in her body, " Oops."

" Jenna are you ok?!" Isaac cast Revive on her, bringing her back to life.

" Uggh, did anyone get the liscense plate on that truck?" Jenna groaned.

" Trucks haven't been invented yet and besi-" Ivan started, but Gareth cut him off with some

whining.

" I'M HUNGRY!" Gareth whined nearly shattering everyone's eardrums.

" Uhh what do you feed your 200 foot tall best friend?" Isaac asked.

" Hmmm, that looks good!" Gareth said, gleefully picking Mia up and swallowing her whole.

" Ok, we need to get that cure Kraden was talking about, and fast!" Ivan called, running

with the rest of them.

" Guy's wait up!" Gareth stomped after them. All the villagers in Vale ran screaming from the

place and left for Vault or some place far away.

Gareth then decided that it was pointless to chase them so he made a big fire in the village.

Unfortunately it quickly spread and burned the village down. He just shrugged and began roasting

a bag of marshmallows he had found and saved from the fire. He then ate them, plastic bag and

all. Then he took off after Isaac and the others, smushing deer, rabbits, birds, raccoons, and

other cute adorable fuzzy animals. He got many splinters from the trees and things. Finally, he

caught up to them.

" GUUUUYSSS!" Gareth yelled. He tromped after them.

" AHHHH! IT'S THE MIA EATING PSYCHO! CANNIABAL! EVIL!" Ivan screamed like a girl, making a

cross with his fingers.

" What I'm not evil! I'm just hungry!" Gareth then reached for what looked like a gummy bear

but was actually a maunder. He then popped it into his mouth, chewed it and swallowed it. Red

"juice" flowed out of his mouth.

" MMMMMM! CHERRY FLAVOURED!" Gareth then grabbed up Sheba, Felix and Picard and swallowed

them whole. He then ran at Isaac, Jenna, and Ivan. Unfortunately he tripped and rolled after them

in a ball.

" RUNNN!" (Indiana Jones music please!) Isaac, Jenna, and Ivan all ran in slow motion from

the rolling 200 foot tall Gareth of Doom. Unfortunately as he rolled by them he gulped them down

and rolled into a mountain, getting a concussion and knocking himself out.

Well, inside Gareth was very dark and wet as they headed down his esophagus(spelling?). They

were covered in slime and saliva as they then plopped into his stomach.

Jenna then made a fire ball and lit up his stomach.

Everyone was hanging onto some kind of white puffy things to keep out of the stomach acid,

but it was quickly getting eaten away.

" Everyone ok?" Isaac asked.

" Yeah. These marshmallows work well as floatation devices!"
Ivan said, hanging onto a
marshmallow.

" Yeah, but we gotta get out of here!" Mia said.

" I know, one of us has to... Well... Get crapped out..." Isaac
suggested looking down,

When he looked, he saw all eyes were on him.

" WHAT!?! YOU GUYS WANT ME TO GO!?" Isaac exclaimed.
Everyone nodded. " BUT I THOUGHT OF THE

PLAN! ONE OF YOU HAS TO GO!"

Everyone charged up some psynergy whilst looking at him.

Well walking through someone's digestive system wasn't
exactly a marvelous adventure.

Atleast he had Granite to put up a barrier and keep him dry.

" This sucks. And smells." Isaac said, plugging his nose.
Suddenly, a rumbling noise began.

" What's going on!?" He yelled, but it was too late. A gas
cloud of noxious fumes blew him

out a hole as Garet farted him out.

When Isaac woke up, he was inside a dark place. It still
stunk, and there was a huge

two-door door in front of him. It took a moment for Isaac to realise it was Gareth's ass before

he got out of Gareth's underwear and scaled down his pant-leg using some of the loose threads in

Gareth's pants.

Then Isaac was on land. He was wet, and he reeked of crap, but he was going to complete

this. He was going to save his best friend, and the world from his best friend. He was gonna-

R!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!P!!!

Garet farted, and blew Isaac clear across the horizon.

" Mum." Gareth said in his sleep and sucked on his thumb.

" WHOOOOOOOOOAAA!!!" Isaac said as he landed in the village of Kibombo.

" OOGA BOOGA!" said a villager.

" Ok then!" Isaac said. Then he realised something. He was in the village that had the cure!

He ran over to the witch-doctor hut thing.

" Hey Mister Red-Bum-Afro! Can I have some Shrink Weed?" Isaac asked.

" Yes child, hang on." the witch doctor ripped a fart, and walked into the back room.

He came back and handed Isaac a rolled joint, " Here child. Weed for you."

" Noooo! Not pot! The special stuff that shrinks people!" Isaac said, smoking it anyway.

Mr. Red-Bum-Afro handed Isaac the shrink weed and Isaac ran out the door, skipping because

he was high.

Isaac skipped all the way back to where Gareth was. He then forgot what he was doing and took

off to the bar. Even though he was under age, he got in, got hammered and then danced around

waving his arms singing: " Do a little dance, Back down to Earth." over and over again.

In the meantime, the others had already been evacuated from Gareth's system. They then

miraculously found Isaac in his singing and dancing mode.

" ISAAC WHAT ARE YOU DOING! IS THIS WHERE YOU BEEN?!" Mia screeched.

" No, no, no!" Isaac said, " Do a little dance, like this!" he danced around high and

drunkenly.

" I got farted out of Gareth's bum, and then I got high... I landed at the witchdoctor thing,

and then I got high... La da da da da da... Now I'm dancing around at a bar, and I know why,

YayHay! Because I got high, because I got high, because I got high. La da da da da da! I was

gonna shrink Gareth, but then I got high. And then I headed to a bar, because I was high... La Da

Da Da Da Da Da... And I forgot about you all, and I know why, YayHay! Because I'm so high,

because I'm so high, because I'm so high. La da da da da da da- OOF!" Isaac finished his

explanation song, and then got belted by Jenna. She then grabbed the beer bottle from his hand,

smashed it over his head, and gave him a pile-driver. Then she and Mia kicked the crap out of

him.

Then when Isaac was magically sober they ran out of the bar and popped the weed into

Gareth's mouth. He then shrank really small and a dog came by and ate him.

" Well, that was random." Ivan stated.

" Isn't everything?" Isaac asked.

" No." stated Picard.

" Let's go home." said Sheba.

And then they all went home and then there was no home so they all went to my house and we

ate a chicken.

The End.

Flame Angel: BWAHAHAHAHA! LIKE IT?

Ivan: I don't think anyone would like that- OOF!

Flame Angel: (Smacks him over the head with a creamer shaped like a cow, which breaks) HAHAHHAHA!

Feel sorry for the little creamer? That's because you're CRAZY!!! BWAHAHAHAHA!

Ivan: @_@

Garet: I got eaten... :'(

Flame Angel: Oh get over it.

Garet: Ok. (holds up a sign that says: By the way, she doesn't own the song 'Because I Got High',

or the Ikea commercial's idea) BYE!
